RE: **Response required for inactive account ending in 6040.**

Dear NORTHSHORE LIMITED FOR THE BENEFIT:

UTAH unclaimed property law requires Wells Fargo Bank, N.A., to transfer funds in your account to that state if the account has been inactive for 3 years. According to our records, the last customer initiated activity on your account was on January 31, 2013. Your account is in danger of escheating to the state unless you contact us or respond by completing, signing, and returning this notice to us.

To prevent your account from transferring to the state, please use one of the methods listed below, and respond to us no later than August 16, 2016.

- 1) Complete, sign and return this letter in the enclosed envelope. For your security, it is necessary for us to confirm that you are the owner of this account.
 - If this is a personal account, fill in the last four digits of your Social Security Number ("SSN") in the SSN or Employer Identification ("EIN") field.
 - If this is a business account, fill in the last four digits of your EIN in the SSN or EIN field.
- 2) Call Wells Fargo 24-hours a day, 7 days a week.
 - For Personal Accounts call Wells Fargo Phone Bank at 1-800-TO-WELLS (1-800-869-3557).
 - For Business Accounts call National Business Banking Center at 1-800-CALLWELLS (1-800-225-5935).

It is imperative that we receive your response by August 16, 2016 in order to allow processing time and to prevent the account from escheating to the state. After the account is transferred to the state, you will be required to submit a claim with the state in accordance with the provisions of its unclaimed property law in order to recover your account.

Sincerely,

Cynthia Long
Manager
Unclaimed Property

My signature below certifies my SSN or EIN and confirms acknowledgement of my account. Wells Fargo will update this account to reflect this information.
